South Layton Inter-  
change, Layton City and

County, Utah.

The Federal Highway

with Layton City, are  
proposing improvements  
to the South Layton I-

the project is to ad-  
dress current and pro-

grade-separated trans-  
portation access across  
the Union Pacific Rail-

quate transportation fa-  
cilities by relieving traf-  
fic congestion west of

Gentile Street.

In accordance with  
Section 106 of the Na-  
tional Historic Preserva-  
tion Act of 1966, as

advise all interested  
persons or groups that  
the proposed project  
will have an adverse  
effect on three historic  
architectural properties  
located in Layton City,  
Davis County. Mitigation  
of adverse effects will  
be based on the selec-  
tion of the preferred  
alternative and will be  
determined through ad-  
ditional consultation with  
the Utah State Historic  
Preservation Office.

Any person or group  
wishing to submit com-  
ments regarding the  
adverse effect to these  
properties may do so  
in writing, or in per-  
son. The public com-  
ment period is thirty  
days, beginning from  
the first date of publi-  
cation of this notice.
